COMPANY PROFILE & SOURCING ARCHITECTURE

Pure Sourcing. Global Trade Integrity.

Saffron House is dedicated to delivering premium-quality Indian spices and authentic agricultural products sourced with comprehensive care and verification. We specialize in superior whole spices, precise spice powders, and essential traditional components known for their organic richness, flavor safety, and flawless processing criteria.

With an explicit focus on elite processing controls and conformity to strict global food-safety laws, our target is to export the genuine culinary distinction and heritage of India directly to international distribution hubs, industrial packagers, and corporate retail partners.

Curcumin Concentration	3% - 5% / 5%+ / 7%+ Grading Tiers
Moisture Threshold	Max 10% Standardized Limit
Natural Color Value	Rich, Luminous Golden Yellow
Extraneous Admixture	Max 1% Grade A Sort
Broken Profiles	Strictly aligned with target buyer purchase metrics
Packaging Structures	25 Kg PP Bags / 50 Kg PP Bags / Fully Tailored Outer Packing
Container Volume Limits	20 FT Dry Cargo Container / 40 FT Bulk Carrier Units
Documentation Accompanied	Lab Test Report • SGS Inspection (if required)

B) PURE GRADED TURMERIC POWDER

"Finely pulverized premium turmeric spice powder, rich in active natural curcumin compound. 100% pure and chemical-free."

Country of Origin	India
Select Varieties	Salem / Rajapuri / Erode Grinding Stock
Curcumin Content Profile	High Natural Concentration (Lab Graded Option)
Granular Mesh Metric	80 Mesh / 100 Mesh / 120 Fine Sifted Selections
Moisture Retention %	Optimized low percentage to prevent caking
Visual Chromatism	Deep Vibrant Golden Yellow
Ash Content Bounds	Conforming meticulously to international purity boundaries
Lead & Heavy Metals	Negative / Certifiably lower than detectable global limits
Packaging Configurations	100g to 1kg Retail Jars & Pouches / 25kg Kraft Paper Bags
Documentation Accompanied	Lab Test Report • SGS Inspection (if required)

C) PREMIUM CORIANDER POWDER (DHANIA)

"Aromatic, mineral-rich coriander powder ground from premium seeds. Hygienically processed with no artificial color values or added chemicals."

Country of Origin	India
Processing Style	Hygienic processing methods under strict temperature monitoring
Purity Rating	100% Pure & Natural premium grade spice product
Moisture Content	Strictly regulated to sustain max aroma and shelf life
Color & Aroma	Natural olive brown with dynamic cooling citrus scent profile
Admixture Limits	Negative / Cleansed comprehensively prior to pulverization
Heavy Metals & Fillers	Negative / Full global safety alignment metrics guaranteed
Packaging Formats	500g Premium Trade Jars / Retail Pouches / Custom Bulk Packing
Documentation Accompanied	Lab Test Report • SGS Inspection (if required)

D) PREMIUM RED CHILI POWDER

"Vibrant and pungency-graded red chili powder processed cleanly to preserve native heat elements and rich natural color with zero dyes."

Country of Origin	India
Color Preservation	100% Natural Deep Red Coloration (No artificial tracking colors)
Pungency Spectrum	Graded precisely to buyer caps (Mild / Medium / High SHU metrics)
Moisture Threshold	Strictly low to sustain volatile organic compound levels
Ash & Fillers	Well below global import safety cap thresholds
Aflatoxin & Sudan Dye	Guaranteed Negative / Certified export clearance level pass
Packaging Configurations	500g Signature Jars / Retail Bags / 25kg Commercial Multi-layer Bags
Documentation Accompanied	Lab Test Report • SGS Inspection (if required)

E) TRADITIONAL INDIAN JAGGERY (GUR)

"Nutrient-dense, non-centrifuged sugarcane sweetener processed without toxic clarifying elements or sulphur blends."

Available Formats	Granular Powder Formulation / Solid Pressed Cubes / Ball Formats
Color Visual Profile	Rich Golden Warm Yellow to Light Honey Tones
Chemical Profile	100% Guaranteed Sulphur-Free Sourcing Process
Moisture Content %	Expertly optimized to eliminate block clumping or mold risks
Sucrose Retention Value	High-spectrum unaltered natural cane sugars preserved
Reducing Sugars Ratio	In full alignment with standard agricultural import laws
Packaging Configurations	500g Premium Jar Packaging Sets / Custom Consumer Retail Boxes
Documentation Accompanied	Lab Test Report • SGS Inspection (if required)

F) PREMIUM COTTON BATH TOWELS

"Plush, high-absorbency 100% true-spun cotton towels carefully tailored to meet the strict durability demands of international hospitality and elite consumer brands."

Base Composition	100% Pure Long-staple Combed Cotton
Density Metric (GSM)	400 GSM / 500 GSM / 600 GSM / 700 GSM Varieties
